ABOUT US

Since the foundation of East Africa Vision Institute in 1996, it has been firmly committed to equality and ensuring that as many students as possible have the chance to benefit from good quality and affordable education.

Major companies and Non-governmental organizations (NGOs) currently say they would rather employ students from East Africa Vision Institute.

In the current survey done by Statistics International, most managers said EAVI courses were more vocational with students developing better management, teamwork and communication skills. In line with its founding principles of providing quality and affordable education for the local community, the institute has targeted access scheme in a bid to increase the number of students drawn from inner town areas.

East Africa Vision Institute is accredited internationally and is registered with the Ministry of Education and TVETA.

Please contact us if you have any questions.

We look forward to receiving your application and welcoming you to East Africa Vision Institute.

Our Vision

“To be a leading world-class institution, committed to raising new generation of leaders in all fields of Human endeavor”.

Our Mission

To create knowledge, employing innovative, leading edge teaching and learning methods, research and professional services that promotes integrated, life-applicable, life transforming education, relevant to the context of management and Human Capacity Building.
